### CAREER OUTLINE:

Graduated from Indian Institute of Technology/Kanpur (B.Tech. in Metallurgical Engineering) followed by M.Sc. Hons from Queens University, Canada. Successful professional career in IT senior management positions spanning over four decades, commencing in 1969 with IBM (India);

Migrated to Australia with family and Australian Citizenship was conferred on 16 April 1975;

Worked in Sales and Management roles in IBM Australia and with FACOM/FUJITSU, in Adelaide, Sydney and Canberra;

Established Chandra Enterprises Pty Ltd (1984) and became subsequently the first Indian-Australian person to establish an IT company making 'product' -- to develop, deploy and support 'cloud-based' database management solution "JobMax" for Job Network providers across Australia;

Studied at Victoria University (2009) to qualify and register with the Office of the Migration Agents Registration Authority of Australia (MARA) as a migration agent, currently dealing with complex cases practicing from offices in Melbourne and country Victoria;

Active in community organisations - Past President of Rotary Club of Noarlunga (South Australia), Justice of the Peace (JP), Board Member, South Australian Multicultural and Ethnic Affairs Commission (SAMEAC); Member, University of the Third Age (U3A);

Involved with Indian community -- Charter Member The Indus Entrepreneurs (TiE), Founding Member NRISA (Northern Region Indian Seniors Association), Life Member IITaV (IIT Association of Victoria), Committee Member AIBC (Australia India Business Council), Contributor, ABC Hindi Language Radio;

Interested in Kabir's writings (15th-century mystic) and home gardening.
